Don and Mike,

We were just informed that Stan Meiburg is meeting with [Non-Responsive] on Friday (tomorrow) and we've been asked to provide 1-pagers for the topics listed below. I've reformatted and tweaked the budget fact sheets on these same topics that you recently approved as a starting point. Bill suggested that I check with you on pulling information from the attached briefing pieces that was used for the [Non-Responsive] For the ESA 1-pager, Bill thinks we can pull information from the Meiburg briefing. I've attached both briefing documents.

Is there someone on your staff that can assist with looking at the attached 1-pagers to ensure that they are appropriate for the Meiburg's meeting with [Non-Responsive] I apologize for this late hit.
